Welcome to the 2014-2015 Academic Year!

Monthly newsletters will offer information about our campus community such as upcoming events, deadlines, and other essential information for our students. Newsletters will be available the first week of each month both in print and on the Associated Students website. We encourage all students to share their ideas, comments, and concerns.

The Associated Student Council is offering $500.00 scholarships exclusively to Imperial Valley Campus matriculated students.

The application period begins on August 11, 2014 and ends on October 10, 2014 by 3:00 p.m.

If interested, visit the SDSU Office of Financial Aid and Scholarships website @ the URL below:
