Psychology Major

The Psychology Major is a broad based discipline that prepares students for careers in business, public relations, personnel and staff training, as well as in agencies responsible for mental health service in clinics, hospitals, and special schools. It can be applied in teaching for childcare facilities, preschools, and in conjunction with a teaching credential or research.

Freshman Scholars, Fall 2006

Criminal Justice Administration Major

Students learn about the criminal justice system from a social justice perspective, taking into account the impact on individuals, groups and organizations in society. Careers could include Border Patrol, ICE, and law enforcement. This major also prepares you for law school.

Admission Requirements

In order to be eligible for admission, you must have a minimum UC/CSU GPA of 2.0. This GPA is calculated based on grades earned in the 10th-12th grade A-G pattern courses only. A-G courses are:

- 4 years English
- 3 years Math (Algebra I, Algebra II, Geometry)
- 2 years same Foreign Language
- 2 years of lab science (1 physical, 1 biological)
- 2 years History/Social Science
- 1 year Visual and Performing Arts
- 1 year college Prep elective

A-G requirements must be completed with a C or better in each course.

Eligible students must also submit either their SAT I or ACT scores. The minimum Eligibility Index required is a 2900 using the SAT I or 694 using the ACT.

$(\text{High School GPA} \times 800) + \text{SAT I} = \text{Eligibility Index}$

$(\text{High School GPA} \times 200) + (10 \times \text{ACT composite score}) = \text{Eligibility Index}$

Note:

Fall transcripts showing work in progress should be submitted with the application.
