# AZTEC OF THE MONTH

“First, I would like to say how delighted I am to be selected as Aztec of the Month! It is such an honor!

My name is Olivia Silva and I am currently a Multiple Subject Credential student here at SDSU-IVC.

My educational journey began back in 2012 when I began as a Liberal Studies student. I graduated with my Bachelor’s Degree in May of 2016. My time here at SDSU before graduation was well spent as an active student on campus. I was an IVUP Ambassador, an Associated Student's Council Senator, as well as President of the Aztecs Around the World Study Abroad Club. I had the wonderful opportunity to study abroad during Summer 2014 and 2015 where I got to visit Spain, Italy, Switzerland, and Greece. These were both faculty led programs led by Mr. Kofford who is a brilliant professor! Both of these summer study abroad programs allowed me to experience life outside of my own community and discover what else the world has to offer. Thanks to the great education I am receiving here at SDSU-IVC I am currently a 7th grade Language Arts, History, and ELD teacher in Holtville, Ca. I am very happy to be able to serve our Imperial Valley community as an educator. This all would not have been possible without the great professors and advisors I have had at SDSU-IVC. I wish all of you the best of luck, and I hope you enjoy your time here at SDSU-IVC. These are memories you will carry with you for a lifetime, so make the best of it! I know I did!”
