AZTEC OF THE MONTH

“I am very fortunate to be a student at San Diego State University-Imperial Valley. This university offers a unique experience to all its students and equips them to grow and be successful in their future endeavors.

I would like to thank the A.S for their efforts in making this campus a welcoming one full of fun activities and events, as well as the opportunities to grow professionally. Because of the excellent A.S members, faculty, and staff, my experience at SDSU-IV has been an enriching and memorable one.

I have been presented with many great opportunities during my educational career at SDSU-IV; such as being able to work for the Transfer Center and help inform prospective students about our university.

Under the supervision of Aracely Bojorquez, I had the amazing experience of co-coordinating the Transfer Student Orientation on three occasions in the past two years. I was also able to participate in the Aztecs Around the World Club and the Psychology Club. Through the Psychology Club, I was I able to attend the Student Research Symposium at SDSU; which was an unforgettable and inspiring experience. On May 2017, I had the honor of obtaining my bachelor’s degree in Spanish and Psychology at SDSU-IV.

Currently, I am continuing my education in the Master of Social Work (MSW) program offered at this very campus. My fellow MSW classmates and I are also working on getting an MSW Student Organization started at SDSU-IV. Our goal is to assist our community in various ways, while promoting our Aztec and Social Work pride.

I am incredibly proud of being an SDSU-IV Aztec and I am honored to be the Aztec of the Month. Thank you and best wishes to all Aztecs!”
