Graduation Year: 2024

Hello my fellow Aztecs, I am extremely grateful to have the honor of being the Aztec of the Month. Throughout my academic journey here at SDSU-IV, I have had the opportunity to develop and learn from an amazing community of professionals and fellow scholars who inspire me to be the best student I can be. The friendships I have made at SDSU-IV have made me feel welcome and a part of the tight-knit community here on campus. Professor Reyes and Dr. Herrera have been great mentors who have encouraged me to continue learning and to go beyond just a four-year degree, which I have decided to do. On a final note, I am extremely excited to begin work on my Master's degree with the skills I have gained during my time at this great campus.
