Toy Drive

Your Associated Students Council is holding a class/club competition for whoever gathers the most toys. Winners will receive a pizza party for their class/club during final's week. Ask your professor and classmates if they would like to participate.

All toys will be donated to the local Foster Home in El Centro.

Dates: November 26 - December 7

Drop off location: Student Union Building
New toys preferred but any will be accepted as long as they are in good condition.

Help us be the reason a child opens a gift and experiences the joy of the holiday season.

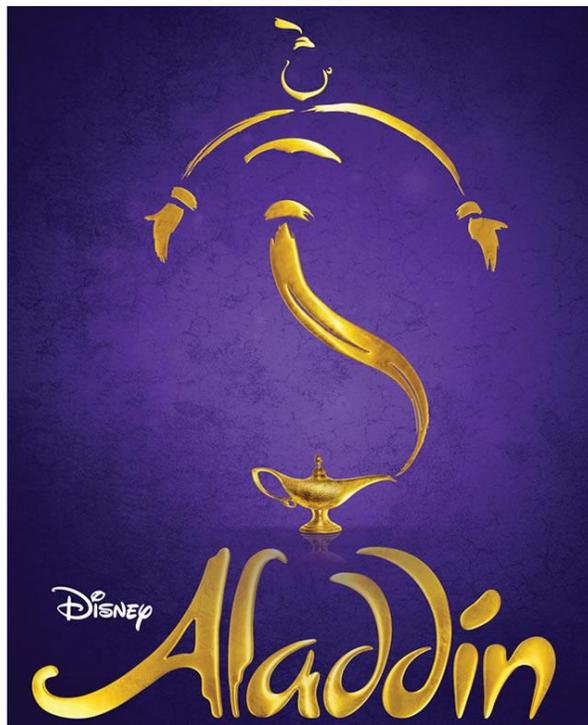

Let's represent SDSU-IV and have a positive impact on our community!

AZTEC OF THE MONTH

“I began my experience at San Diego State University-Imperial Valley Campus in 2015 when I started the IVUP program. Throughout this program, I was able to attend IVC and SDSU simultaneously and graduate IVC with an Associates in Administration of Justice. Attending both campuses is something I’m grateful for because I was able to take advantage of so many resources. Currently, I am working towards graduating Fall 2018 with a Bachelors in Criminal Justice.

One of the main reasons I am grateful to be at SDSU-IV is because I had the opportunity to study abroad in Milan, Italy in 2017. This trip is something I will never forget. It was my first time traveling without my family and the longest I have ever been away from home. At first, it was overwhelming but once I arrived in Milan I knew I would be able to learn something from their culture. While I was there, I had the opportunity to visit Lake Como, Verona, Venice, Florence, Rome, and Paris. Throughout this entire experience, I made new friends and gained irreplaceable experiences that I will treasure forever.

This trip impacted my life so significantly, that I decided to try and study abroad the following year. After fundraising with Aztecs Around the World, I was able to study abroad this past summer in Galway, Ireland. I would truly not have been able to study abroad not once, but twice, if it wasn't for SDSU-IV. Living in Galway, I was exposed to another lifestyle and a different part of the world. I was able to see the Aran Islands, Glendalough, and Dublin, to name a few places. I was even able to visit London, somewhere I have always wanted to go. Once again, I met and created more friendships this past summer, while having the chance to travel the world. SDSU-IV gave me the opportunity to travel and learn about the world, something I thought I would never have the chance to do. I am thankful for the major impact this university has had on my personal and educational aspirations. I was able to achieve personal goals, such as traveling, and educational triumphs. This campus and the resources provided have positively shaped my college career and given me memories I will never forget.”

Abigail Edgar
