Aileen Corcoles, A.S. Treasurer

Melyssa Gonzalez, Student Life & Career Services Coordinator

Miguel Rahiotis, Assistant Dean for Student Affairs

“Four students from SDSU-Imperial Valley were selected for the 2018 Water Resources Experiential Learning for USDA Careers through the California State University Water Resources and Policy Initiatives; providing paid internships in natural resource management, environmental studies/conservation/sustainability, and field-based research, funded by a USDA-NIFA’s HIS Education Grants Program, with service-learning project proposals for regional placement of students with training, resume building, and professional development opportunities that would otherwise not exist.”

–Roberto Gonzalez Jr.

The Following Students Are:

• **Marina Arballo**

Senior, Public Administration, SDSU-IV with USDA-Rural Development

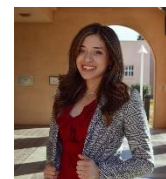

• **Paola Niebla**

Junior, Public Administration, SDSU-IV with USDA-Rural Development

• **Emily Estrada**

Junior, Public Administration, SDSU-IV with USDA-Farm Service Agency

• **Martha Sanchez**

Junior, Public Administration, SDSU-IV with U.S. Forest Service

AZTEC OF THE MONTH

“When I graduated from Calexico High School in 2015, I knew I wanted to attend SDSU - Imperial Valley Campus not only because of the great things I heard about the university, but because it was close to home and offered the major I planned on pursuing. I was certain that IVUP was the program for me to reach my goals. The decision to apply and join IVUP was a game changer for me. Through IVUP, I have fortunately been introduced to many organizations and programs that have been instrumental for my academic development. For example, I have had the opportunity to volunteer for the Prison Education Project, Camp Hope, and Rising Stars. In addition, I have had the privilege to be taught and guided by the best faculty and staff. It is amazing to look back and see how much I have grown. I remember I applied to the university with a major in Psychology. However, I kept asking myself, ‘What is something I love to do? What is something the Imperial Valley needs more of?’ I kept asking myself those questions and realized my growing passion was to ensure that students in the Imperial Valley had access to an additional role model as they maneuvered through their education. Therefore, this determination has led me to my career choice. I am in my junior semester for the Liberal Studies major at SDSU – Imperial Valley campus. I plan to be a teacher for a couple of years at an elementary to hopefully get insight on the areas of growth and challenges in our Imperial Valley schools. Once I learn about what needs improvement, I plan to become a principal. In this future role, I intend to work together alongside other educators to improve our schools. My ultimate goals are to earn the opportunity to become a school superintendent for Calexico. My prime and overall life goal is to make a difference and reform education in the Imperial Valley and SDSU has granted me the opportunity to embark on the journey towards that goal. I would like to extend my gratitude to San Diego State University-Imperial Valley Campus for making it possible for local Imperial Valley students to follow their academic goals and reach their potential. THANK YOU!”

Sylvia Sierra
Liberal Studies Major
Class of 2019
