SANDIEGOSTATE UNIVERSITY/IMPERIAL VALLEY
DIVISION OF EDUCATION
MULTIPLE SUBJECT SB 2042 CREDENTIAL APPLICATION PACKET

In this packet, you will find most of the materials that you will need to apply for admission to the Division of Education Programs at San Diego State University/Imperial Valley. Please carefully review our program information and application procedures and allow yourself adequate time to gather the required application materials. Completion of the application materials with the corresponding stipulated requirements is a minimum criterion and does not ensure admission. Factors such as professional judgment of the Admissions and Retention Committee and date by which admission requirements are fully met may determine admission. An analytical essay and an oral interview are required as part of the process. In addition, please note that each student is responsible for knowing all of the rules and regulations outlined in the *Bulletin of the Graduate Division*. It is highly recommended that each student meet with the program advisor, prior to applying to our program.

APPLICATION FILING PERIODS: Fall admission: February- March
 Spring admission: September- October

Although candidates may submit applications at any time during the application period, early submission of complete application packets is encouraged to facilitate the faculty review process. Departmental applications may be accepted after the deadline on a case by case basis. Incomplete applications will not be accepted, with the exception of pending test scores (see "Exams"), transcripts, and letters of recommendations being sent directly to the Division of Education. All outstanding items must be received by the Division of Education for applications to be considered for admission (degree postings and pre-requisite grades may be pending).

APPLICATION MATERIALS:

Your application and all required materials must be submitted as a packet in the designated order to the Division of Education (in WF 169 or WF 179) during regular office hours or by registered mail. You must initial one box in each section on the departmental application as evidence that you have provided, or are in the process of providing the required materials.

If you prefer to submit your application materials by mail, please send all materials via "Registered Mail, Return Receipt Requested" to ensure receipt and filing date. The Division of Education office will assume no responsibility for receipt of mailed materials sent without such a request. Please include your \$25.00 application fee as a personal check, cashier's check or money order only payable to SDSU. The Division of Education will not accept cash or credit/debt cards.

Factors contributing to the overall quality of the application's presentation, such as neatness, clarity, and thoroughness are important components in the faculty's evaluation and review of each application.

UNIVERSITY ADMISSION:

You must submit a separate CSU Graduate/Post-baccalaureate application to be admitted to San Diego State University as a post-baccalaureate or graduate student. CSU Graduate/Post-baccalaureate applications are available online at <https://www2.calstate.edu/apply>. Appropriate application fees must be submitted. **Spring Admissions do not require an online application.**

It is your responsibility to read and review SDSU's *Bulletin of the Graduate Division* for details on university policies, requirements, course descriptions, and listing of fees. You may obtain a copy of the *Bulletin of the Graduate Division* from the SDSU Aztec Bookstore (760) 768-5574 or view it online at <http://www.ivcampus.sdsu.edu/information/catalog/>

TESTING REQUIREMENTS:

Basic Skills: Basic skills competency as demonstrated through passing scores of the California Basic Educational Skills Test (CBEST) or the California Subject Examination for Teachers (CSET) with writing component or other CTC approved Basic Skills Examinations. In addition, candidates must complete the Reading Instruction Competence Assessment (RICA) to show competency of knowledge and skills important for the provision of effective reading instruction to students. See the credential analyst, Betty Wong, for further information options for meeting the basic skills requirement.

CBEST: Applicants are REQUIRED to submit a photocopy of passed or attempted score reports for CBEST along with the admission program application. **The Basic Skills requirement needs to be fulfilled prior to enrolling in courses.**

CSET MS: This is the approved subject matter waiver exam for the Multiple Subject Credential. Candidates are REQUIRED to submit passed or attempted score reports along with a Student Teaching Application. No applications will be processed without any passing CSET score reports. Once the Student Teaching Application has been submitted, candidates will be given a pending item deadline for any pending CSET test scores.

RICA: All portions of the RICA test must be completed prior to recommendation for preliminary credential.

Applicants are required to submit a photocopy of Basic Skills and CSET attempted score reports along with your application. Starting Fall 2019, all students will need to pass the CBEST exam before enrolling in courses. Applicants can be conditionally admitted prior to passing requisite exams, however, candidates cannot continue with student teaching until all exams are passed and score reports have been submitted. You are responsible for submitting a photocopy of your score reports directly to the Division of Education in a timely manner. Scores reported to SDSU through the testing agency are in roster format for research purposes only, and will not be used for your individual file at the Division of Education.

NEXTSTEPS:

Once your applications are received, they will be processed by the Division of Education office. If your file is complete, it will be reviewed by the members of the Admissions and Retention Committee. This process can take several weeks depending on the time of year. If your file is incomplete you will be sent an email outlining the missing documents/requirements. Once the Committee has reviewed your file, you will be sent a letter notifying you of your admission status to the program.

Candidates are responsible for assuring that all materials have been delivered to the Division of Education in a timely fashion for review by the Admissions & Retention Committee. An applicant will be eligible for program admission only when all required application materials have been received and approved.

INSTRUCTIONS FOR APPLYING:

1. Retain these first two pages for future reference.
2. Make a copy of your application and all accompanied materials for your records.
3. Submit your application to the Division of Education office in WF 169 or 179. When you submit your application to our office we will go through all the paperwork with you to make sure it is complete.
